

U and Universal

Universal employees are encouraged to visit the Universal website at www.umhs.net

Here's some information that can be found at the website:

- Meet Senior Management and the leadership team
- The history of the agency
- After hour on-call information
- Employment opportunities
- A list of services provided by UMHS
- Locations of offices
- Online trainings such as: cultural competencies, HIPAA, and many others
- Contact information
- Past editions of the newsletter and U and Universal

Employees are encouraged to be familiar with Universal's mission statement which can also be found at the website.

Did you know?

September is National Recovery Month. If you are in recovery, it is a time to celebrate and possibly help others who are beginning their recovery journey. If you are seeking help for recovery, a great place to start is: www.recoverymonth.gov . The website includes local resources, a toolkit and the recovery hotline, 1-800-662-HELP.
